RE: FOIA Request – PFOA and PFOS at Brookhaven National Laboratory

Dear Sir or Madam:

Pursuant to the Freedom of Information Act (5 U.S.C. § 552), I request a copy of the following documents:

All records relating to PFOA and PFOS contamination located at or emanating from Brookhaven National Laboratory (“the Site”) in Upton, New York as well as the environmental investigation, remediation and/or monitoring of on-site and off-site conditions.

Please include all sampling data, correspondence with any individual, public or private entity, report, investigation, meeting, email relating to the above, as well as all documents relating to studies or assessments of health risks to area residents due to the contamination at or emanating from the Site.

The relevant time period for this FOIA request is 1966 to the present.

If possible, please produce the documents in electronic form (pdf) to my email address: mgreene@napolilaw.com.

Thank you for your anticipated cooperation.

Very truly yours,

/s/Michelle Greene
